Independent Audit Report to the Members of the All Peoples Party

Qualified Opinion

We have audited the accompanying Financial Statements of the All Peoples Party (the party), which comprise the Statement of Financial Position of the Party as at 31 December, 2024 the statement of income and expenditure, statement of cash flows for the year then ended 31 December, 2024 and a summary of significant accounting policies and other explanatory information.

In our opinion, except for the possible effects of the matter described in the Basis of Qualified Opinion paragraphs, the accompanying Financial Statements present fairly, in all material aspects, the financial position of the Party as at 31 December 2024, its financial performance and cash flows for the year then ended in accordance with the requirements of the Political Parties (Registration, Conduct, Funding and Disclosures) Act 2013 and International Financial Reporting Standards for Small and Medium Enterprises.

Basis for Qualified Opinion

(i) Due to the nature of transactions inherent in any political party, it is not practicable for the party to establish controls over donations and fundraising prior to their receipts. Accordingly it was not practical for our examination to include audit procedures that extended beyond the amounts recorded in the official receipts issued by the Party.

(ii) In the absence of sufficient evidence and source documents for the acquittals of monies disbursed from Party funds, we were unable to conduct further audit procedures to substantiate the accuracy of expenditures as disclosed in the financial records of the Party.

We therefore are unable to express an opinion whether income obtained from sources noted above is complete nor the accuracy of the expenses disclosed in the financial statements.

We conducted our audit in accordance with International Standards on Auditing (ISA). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statement* section of our report. We are independent of the Party in accordance with the ethical requirements that are relevant to our audit of the financial statements in Fiji and we have fulfilled our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide the basis for our qualified opinion.

Emphasis of Matter - Going Concern Basis of Accounting

We draw attention to Note 2 c) of these Financial Statements which describes the net liability position and working capital deficiency of the party as at balance date. These conditions may indicate uncertainty and which may cast doubt on the going concern basis of accounting. Our opinion is not further modified in respect of this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with International Accounting Standards and the Political Parties (Registration, Conduct, Funding and Disclosures) Act 2013 and for such internal control as management determines is necessary to enable the preparation of the financial statements that are free from material misstatements whether due to fraud and error.

In preparing the financial statements management is responsible for assessing the party's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting.

The Management is responsible for overseeing the party's financial reporting process.

Independent Audit Report to the Members of the All Peoples Party (Cont'd)

Auditor's responsibilities for the audit of the Financial Statements

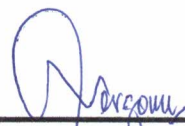

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud and error, or to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISA will always detect a material misstatement when it exists. Misstatements can arise from fraud and error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decision of users taken on the basis of financial statements.

As part of an audit in accordance with ISA, we exercise professional judgement and maintain professional skepticism throughout the audit. We also :

- * Identify and assess the risks of material misstatement of the financial statements, whether due to fraud and error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- * Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Party's internal control.
- * Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures by management.
- * Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to the events or conditions that may cast significant doubt on the Party's ability to continue as a going concern. If we conclude that material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report.
- * We communicate with the management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we may identify during the audit.
